Madam,

Re. erection of a single storey rear extension to existing garage — 20. Hillside Road, Sletchington.

I am concerned that this extension will be used, in due course, as a workshop for repairs to motorcars / M. Cycles causing noise & pollution & client traffic in a residential area.

My Deeds state no garage erected on the land should be used for any other purpose than as a private garage for the use of the occupiers of the dwelling

PTO.

I trust that you will give my comments your careful consideration.

Yours faithfully
