Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Dear Sir/Madam, I am contacting you to express how beneficial a Sunday opening at your swim school would be for local families, [REDACTED]. All swim schools are so oversubscribed [REDACTED]. There is a real gap for parents in the area; a weekend spot is incredibly difficult, yet weekends are the only time many of us have to take our kids swimming. When we heard about the proposal for Sunday hours at this swim school, we were immediately interested. It would be a perfect solution for us, and we know of several other families who would also be keen for these sessions. We are very happy to be called or spoken to regarding this application, as we are really keen to show our support. Please feel free to reach out. Yours faithfully, [REDACTED]

Kind regards
