Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment
Comments:	Another preposterous development plan around the Thakeham/Storrington area.

More traffic on unsuitable roads. No infrastructure for schooling, GP surgeries etc, which are all oversubscribed.

Storrington village struggles already under the weight of traffic, along with Washington roundabout.

Thakeham primary school is at capacity and had almost 90 applications for 15 spaces.

Where are the extra schools being built for children to go to?
Where are the extra reservoirs being built to supply the extra demand for water?

As usual, all about the houses and no consideration for supplying an infrastructure to match

Kind regards
