Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	The town does not have the infrastructure in place to deal with new developments. Is there a new school being built to accommodate more children? I have had a really bad experience trying to secure a place for my child in a Horsham high school. This town is one of beauty, let's not destroy it with more concrete.

Kind regards
