| Commenter Type:      | Member of the Public                                                                                                                                                                                                                            |
| Stance:              | Customer objects to the Planning Application                                                                                                                                                                                                    |
| Reasons for comment: | <ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>                                                                                                          |
| Comments:            | This is one of the last truly open landscapes in this area and although we appreciate new homes have to be built somewhere this area has been raped by developers in the last few years, it surely must stop for the sake of future generations |

Kind regards
