Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This area is within The High Weald Area of Outstanding Natural Beauty and as such must be protected. We need the farmland, more so in the future, and this constant building is very short sighted. The area is also not suitable for the increased the traffic it will create.

Kind regards
