Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	These houses would impact the High Weald National Landscape very negatively affecting wildlife and eco systems through pollution, light and noise. It would cause even more traffic congestion at the Moorhead roundabout and the plans are lacking essential local infrastructure such as additional schools, doctors surgeries, hospital and

emergency services.
The plans were rejected before for good reason and must not be
allowed to go ahead.

Kind regards
