Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Far too much new building in this area. Huge building programme under a mile away from this proposed site. Already problems of traffic approaching the nearby roundabout. In rush hour traffic backing up to Lambs Farm Road. Area lacking public amenities - hospital, doctors surgeries. Existing facilities cannot cope without adding another 120 houses with 240 plus more people in them. Horsham town now too populated. Animals often seen on this field - don't destroy their habitat. Can also see water availability being a

problem as shortages in the past and the weather is only going to get hotter. Leave our green spaces alone.

Kind regards
