Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	I object as I believe it is over development of the area and will have an impact on wildlife, noise and light. It will increase traffic congestion at the Moorhead roundabout, which is already an issue. We also do not have the local infrastructure to support further development. Particularly doctors, health and emergency services.

Kind regards
