SITE ADDRESS:	19 Lime trees, Causeway, Horsham
PROPOSAL:	Various surgery works to 19x Lime (Works to trees in conservation area)
REFERENCE:	DC/24/0645
RECOMMENDATION:	No Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council has no objection (see main comments).	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Lime trees have been selected for their regular crown reduction surgery. All pruning work can be carried out to the original healthy growth points and any dead wood can be removed while crown cleaning is in progress. Therefore HDNC has no objection to this application.
