Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This development is simply not needed in Barns Green and does not fit within the village neighbourhood plan. It will increase the risk of flooding, remove a natural hedgerow,

remove a green field and harm the local wildlife.
The local roads are insufficient and the public transport in the area
does not support a further increase in the size of the village.

Kind regards
