

Heritage Statement for proposed Conversion of Agricultural Building at RH13 0AQ:

This application does not propose to make any changes to the existing appearance of the Eastern elevation, which faces the public road. Given that the two properties are not visible together from any public ground-level vantage point, the scheme will have no detrimental impact on the setting or significance of the Grade II listed Sawyersland Farm, located approximately 37 metres away diagonally across the road towards the North-East.
