Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	We feel the access which is a single track farm lane, which is already busy with domestic traffic and commercial traffic to the southern water site and also a very well used footpath/ cycle way would be unable to cope with an increase of volume of traffic...Also being a single track road where it joins the Henfield road there is no option to widen it, which is inevitable going to result in traffic queuing or even reversing on to the already busy Henfield road.

Kind regards
