Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Please can someone explain why there's been no notification to neighbours or on the trees in question. Who is responsible for this area of no mans land. First Port & HDC have told me on a number of occasions it's unknown. As the first port agent has asked for this work to be carried out does that mean they're now responsible for the entire strip of land from 82 Dean Way to 90 Dean Way?

Kind regards
