PLANNING ASSESSMENT

Consent is sought to discharge the details reserved by condition 7 (Reserved Matters Areas Plan) for Phase 2. The wording condition relates to the amended wording approved under DC/19/0984.

Condition 7: Pre-Commencement Condition: No later than the submission of the first application for approval of Reserved Matters for any Phase, save for the Principal Access Works as identified on drawing 25216/2001/SK020 Rev E, a Reserved Matters Areas Plan covering the entirety of that Phase and demarking the extent of the areas to come forward as individual applications for approval of Reserved Matters (hereafter referred to as Reserved Matters Areas) shall be submitted to and subsequently approved in writing by the Local Planning Authority. Thereafter the applications for approval of Reserved Matters shall be submitted broadly in accordance with the approved Reserved Matters Areas Plan, or such updated Reserved Matters Areas Plan as may be subsequently agreed in writing with the Local Planning Authority. For clarity, the entirety of any Phase shall mean including all areas of open space and landscape buffers in addition to developable areas within that phase.

Reason: As this matter is fundamental to control the development in detail in the interests of amenity and visual impact and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

This application seeks to approve the Reserved Matters Area plan for Phase 2. This is a resubmission of a previously application to discharge this condition for Phase 2 under DISC/24/0033. This submission includes minor amendments to the RM Areas plan, as follows:

- The plan now includes the whole of Sub-Phase 2D and excludes the area falling within the Sports Hub Sub-Phase and other minor boundary adjustments to more closely align with the Phasing Plan (2153A - 507E) approved as part of the outline planning consent.
- The plan absorbs infrastructure approval areas into Reserved Matters Areas 12 and 13.
- The plan provides for the Strategic Landscape Buffer wrapping around the eastern boundary of Sub-Phase 2C (RM Areas 15 and 18).

The plan shows the correct residential areas to Phase 2, comprising RM Areas 12-20. The areas are in line with the approved outline planning permission (DC/16/1677) and are considered appropriate. The requirements of the condition have been satisfied.

Recommendation: Application Permitted
