Dog Poo mess left at the entrance of 'Storrington Secure Fields', Northlands Lane,
Storrington, RH20 3EZ

HDC Environmental Health,

We wish to complain about the bagged dog poo that continues to be left at the entrance gate to this facility. Photos are shown here: <https://photos.app.goo.gl/AiRGb19Ho4y3SiFX6>. The site has no dog poo bins. This has been a longstanding issue ever since this site started to be used as an unlicensed dog walking area - managed by Doodley Dogs.

We would be grateful if you could withhold our details when talking to Doodley Dogs or the owner of the field (Halima has his contact information).

For your information, it is subject to retrospective planning application DC/25/0450. Halima Chowdhury is the planning case officer. The planning application states that there's no requirement for waste management despite previous complaints of neighbours and users of the adjacent public rights of way.

Objections to the planning application also demonstrate that dog poo, noise and lack of fencing (of the westerly field) are longstanding problems which neither Doodley Dogs or the field's owner have addressed.

Dear Halima,

I would be grateful if you would take this complaint into consideration when recommending a decision on this application. We would also be grateful for an update on the status of this application.

Kind regards,

[REDACTED]

East Wantley Barn
Northlands Lane
Storrington
RH20 3EZ
