Comments Details

Commenter Type:	Neighbour
-----------------	-----------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
----------------------	--

Comments:	My garden backs onto the location Plan where a small area of trees exist. I am concerned that dog walkers will be able to look into my back garden/property or that dogs will enter the premises (although a wire fence exists.What is proposed so that my privacy/security is not compromised?
-----------	--

Kind regards
