Reasons for comment:	
Comments:	The new buildings will provide much needed facilities at Steyning Cricket Club, which are currently not fit for purpose. This will help to sustain the club by attracting players and encouraging younger children to sign up. It will also create a nicer place for spectators to sit- many of which are families who have been going to the club for years. Steyning doesn't have many up to date sports facilities so this would be a real improvement to the town.

Kind regards
