Reasons for comment:	
Comments:	As a grandparent of a junior playing member of Steyning Cricket Club, I fully support the new pavilion. We both regularly attend matches and training sessions and it is apparent that the existing facilities are not fit for purpose. The pavilion is extremely run down and the changing rooms are not much better! The new pavilion will be a huge asset for the community and the design fits in with existing buildings. Please allow this lovely new opportunity to go

ahead for all the young people in the community now and for the future.

Kind regards
