If no amendments required, contact agent / applicant with update on progress.	
Confirm whether delegated or committee decision (re: parish and neighbour representations)	**Delegated**
WEEK FIVE (+28)	**24th December 2024**
14-day re-consultation letters to be sent on any amended plans	N/A
Prepare draft report	**15/01/205**
WEEK SIX (+35)	**31st December 2024**
Check 35-day Cllr call-in for Committee	N/A
If decision based on original plans, report to be drafted and submitted for sign off	**15/01/2025**
WEEK SEVEN (+42)	**7th January 2025**
If decision based on amended plans, report to be drafted and submitted for sign off	
Reason for EOT	

APPLICATION NO./ADDRESS:

DC/24/1412
58 Ellis Road, Broadbridge Heath, West Sussex, RH12 3GR

DESCRIPTION:

Erection of a single storey rear extension.

RELEVANT PLANNING HISTORY:

DC/24/1061	Erection of a single storey rear extension (Lawful Development Certificate - Proposed).	Application Refused on 09.09.2024

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):
Policy 32 - Strategic Policy: The Quality of New Development
Policy 33 - Development Principles

Broadbridge Heath Neighbourhood Plan:
Broadbridge Heath has not been designated as a Neighbourhood Plan area. Visit our How is a Neighbourhood Plan made? page to find out more about the process.

Horsham District Local Plan (2023-40) (Regulation 19):
Policy 19: Development Quality
Policy 20: Development Principles

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Where consultation responses have been summarised, it should be noted that Officers have had consideration of the full comments received, which are available to view on the public file at www.horsham.gov.uk.

Consultations:

Natural England: Standing Advice:-

It cannot be concluded that existing abstraction within the Sussex North Water Supply Zone is not having an adverse effect on the integrity of the Arun Valley SAC/SPA/Ramsar sites. Developments within Sussex North must therefore must not add to this impact and one way of achieving this is to demonstrate water neutrality. The definition of water neutrality is the use of water in the supply area before the development is the same or lower after the development is in place.

To achieve this Natural England is working in partnership with all the relevant authorities to secure water neutrality collectively through a water neutrality strategy. Whilst the strategy is evolving, Natural England advises that decisions on planning applications should await its completion. However, if there are applications which a planning authority deems critical to proceed in the absence of the strategy, then Natural England advises that any application needs to demonstrate water neutrality.

Parish Comments:

Raised no objections, provided there is no material objections from the adjoining / adjacent properties.

Southern Water:

Raised no objections to the application.

Representations:

None received.

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the

Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT:

The application has been assessed on the basis of the submitted details, together with the planning history of the site and adjoining properties, available images and photographs supplied by the agent. These details were considered sufficient to allow the application to be properly considered and determined.

Character and Appearance

Policy 28 of the HDPF relates to house extensions and outbuildings in the countryside, stating that extensions should not be disproportionate to the size of the existing dwelling, and should be in keeping with the scale and character of the existing dwelling. The policy also states that the cumulative impact of existing extensions will be taken into account.

Policies 32 and 33 of the HDPF seek to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

58 Ellis Road is a semi-detached dwelling in the build-up boundary of Broadbridge Health. Permission is sought for the erection of a single storey rear extension. The dwelling is on a private road off of Sargent Way and Certificate B has been completed and submitted as part of the application.

It is noted that the parish and Southern Water made no objections to the application. No neighbour representations were received.

The proposal included a flat roof design with a roof light which would extend from the rear by 3m. the proposal is of modest size and would provide additional space for the residents. The materials used are to match those of the existing property. The extension will have minimal impact on neighbouring properties and would not affect the public realm. Access to the garage door would be moved slightly to accommodate the extension and the side gate removed.

The proposal would be a clearly subservient addition and is considered to be of a design, form and scale which is appropriate to the character and appearance of the existing dwelling, and which would not harm the character or appearance of the wider area. It is therefore considered that the visual impact of the proposal is acceptable and would accord with the above policies.

Impact on Neighbouring Amenity

Policy 33 of the HDPF states that permission will be granted for development that does not cause unacceptable harm to the amenity of the occupiers/users of nearby properties and land.

It is considered that the siting and layout of the proposed extension and the resulting relationship with adjoining properties would be sufficient to prevent any unacceptable harm to neighbouring amenity.

Water Neutrality

There is no clear or compelling evidence to suggest the nature and scale of the proposed development would result in a more intensive occupation of the dwelling necessitating an increased consumption of water that would result in a significant impact on the Arun Valley SAC, SPA and Ramsar sites, either alone or in combination with other plans and projects. The grant of planning permission would not therefore adversely affect the integrity of these sites or otherwise conflict with policy 31 of the HDPF, NPPF paragraph 180 and the Council's obligations under the Conservation of Habitats and Species Regulations 2017.

Biodiversity Net Gain

In accordance with the Biodiversity Gain Requirements (Exemptions) Regulations 2024, all householder applications are current exempt from the statutory requirement to demonstrate a 10% net gain in biodiversity.

Conclusion

The proposal is considered to comply with relevant local and national planning policies and is therefore recommended for approval.

Recommendation: Application Permitted

Conditions:

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Regulatory Condition**: The materials to be used in the development hereby permitted shall strictly accord with those indicated on the plan reference Extension Design Plans 003.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.
