Subject: DC/26/0006 | Land South Of The Bowling Green The Daisycroft Henfield West Sussex

Good afternoon Tamara,

Thank you for reconsulting us on the above application. After reviewing the applicant's most recent submissions, it does not appear that any new ecological information has been submitted. The information we requested in our previous consultation on the 23rd of February is therefore still outstanding and so we defer back to these comments. Please re-consult us as more information comes in

Best wishes,

Laura Downs (*she/her*)
