Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I have walked along Eastlands lane with my dogs since I moved to the village in 1999. It is a quiet lane, and lots of villagers use it. It is not only a place to walk, but also a place to meet members of the community, and spot nature. The lane is narrow and only just copes with the amount of traffic that there is now, and would be unusable with more traffic.

Kind regards
