Hi Jacques,

I'm disappointed to see this drag on now but I know that you are working to get a decision out this week which is great to hear.

Having spoken to the applicant the classes are purely de-minimis, we are talking about 2-3 people a year, these people will be helping with the wider outfit of beekeeping and so need training. This happens regardless of the building as there are numerous hives already as part of the enterprise.

Kind regards,

Alex

Hi Alex,

Hope you are well. We are in the process of finalising this application hopefully ready for a decision by the end of the week. Can you confirm the amount of classes to be held in a week or a month for the apiarian lessons and how long the classes run for? Can you also confirm that the classes will be attended by no more than 10 individuals per lesson. Additionally can you confirm staff members required for these lessons too. Subject to your response, we may need to account for this water usage too.

Thanks
