Dear Sir/Madam,

Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure England) Order 2015

Approval of details reserved by condition 5 to approved application DC/24/1179

Trueloves Field Marches Road Kingsfold West Sussex

The Authority has considered your application, and I can confirm that the submitted information is acceptable pursuant to the following condition(s):

5. **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a lighting design scheme for biodiversity based on Guidance Note: 08/23 (Institute of Lighting Professionals) has been submitted to and approved in writing by the local planning authority. The scheme shall identify those features on site that are particularly sensitive for bats and that are likely to cause disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

   All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

   Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended) and Policy 31 of the Horsham Development Framework.

Date of approval - 18th July 2025

The development shall be implemented in accordance with the approved plans and details listed in the schedule below.
