Comments:	I am commenting again because , I am very upset that the opening hours that seem to have been granted, are going to cause my family an awful lot of stress, it is impossible for people to leave a venue quietly, the management of the venue ,will do nothing about this because , possibly correctly they will say the car park outside of the building is not owned by them ,so they can

not stop anti social behavior in the car park , after people have left the building, and as we all know the police are totally under manned and so will be unable to do anything, so it will be the poor old residents who will suffer , noise and all sorts of awful things.. I fully accept that there is a need for young people to be entertained, but a closing time of 11:30 or midnight would be reasonable, it would also reduce the length of time that alcohol or drugs can be consumed ,and thus help calm down the late leavers of the venue.

Kind regards
