Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I strongly object to houses being built on this land, which is a haven for the inhabitants of a large area surrounding the site. It is important that this part of the High Weald National Landscape is preserved and its wildlife protected. Moreover the existing congestion at the Moorehead roundabout most days leaves no spare capacity for another estate feeding into it. It would be utter carnage at peak times. The local infrastructures are also stretched to capacity. Even with Millais extending to accept boys soon, there is no NHS dentist around and our local surgery is already overwhelmed. This is a poorly thought plan that was rightfully rejected once and needs to carry on being stopped. Many thanks and best regards, [REDACTED]

Kind regards
