Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	This Committee does not have an objection in principle to the demolishing of the existing building but finds it difficult to give a positive response to the new building without knowing e.g. the height of the building and pitch of the roof. The Committee believes the application lacked clarity in its presentation and was missing important detail, so could not properly consider the application.

Kind regards
