Comments Details

Commenter Type:	Member of the Public
-----------------	----------------------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:	- Other
----------------------	---------

Comments:	We live very close to the proposed site and are fully supportive of the application. Local children currently have no specific place to play in the village and the installation of the play equipment will bring a focus to the area for parents with young families. This in turn will give parents the opportunity to meet and strengthen a sense of community.
-----------	--

Kind regards
