Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	1. Drainage is not capable for six flats. 2. Parking space limited. 3. Rubbish problem also fire hazard as CCTV used to operate - now removed.

4. Extractor for Take Away would be a problem for residents because of the noise and smell.
 5. My privacy would be violated as windows would enable residents to see directly.
 6. Whilst work being carried out all the dust would affect my cooking area and thus be a health hazard.
 7. Disturbance during construction with deliveries of building materials etc, this restricting access to my business and residence.
 8. This would encourage further development over businesses in Jengers mead which would increase all above problems.
 9. With constant rejection of planning applications why is the applicant continuing to persevere?
