Dear Mr Porter,

RE: Land North West of Southwater

Thank you for your correspondence of the 4th of March 2026, advising me of an outline planning application with all matters reserved (except for primary access to the highway) for a phased development comprising: the demolition of existing buildings and the construction of residential dwellings (including affordable housing) (Use Classes C2 and C3); a mixed-use neighbourhood centre (Use Classes E and F); education facilities (Use Class F1(a)); business and employment floorspace (Use Classes B2, B8 and E(g)); redevelopment of existing agricultural buildings including construction of a building for community use (Use Classes E and F2); improvements to public rights of way; sports pitches; gypsy and traveller pitches/plots; public open space; landscaping, and associated infrastructure at the above location, for which you seek advice from a crime prevention viewpoint.

The National Planning Policy Framework demonstrates the government's aim to achieve healthy, inclusive, and safe places which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion – for example through the use of attractive, well-designed, clear, and legible pedestrian and cycle routes, and high-quality public space, which encourage the active and continual use of public areas.

I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments.

Given that this outline application is submitted with all matters reserved (except for primary access to the highway) I have no detailed comments to make at this stage.

Mr Porter
Planning Officer
Horsham District Council,
Albery House,
Springfield Road,
Horsham,
West Sussex

Sussex Police Headquarters
Malling House, Malling, Lewes, East Sussex, BN7 2DZ

I however would like to take this opportunity to direct the applicant to the website:

www.securedbydesign.com where the Secured by Design Residential Guide for 2025 (formerly known as the Homes Guide) can be found. The guide incorporates the latest security standards, developed to address emerging criminal methods of attack, and includes references to the Building Regulations and other statutory requirements across the United Kingdom.

Additionally, I would like to take this opportunity to direct the applicant to the website:

www.securedbydesign.com where the Secured by Design Non-Residential Guide for 2025 (formerly known as the Commercial Guide) can be found. This guide incorporates the latest security standards, developed to address emerging criminal methods of attack, and includes references to the Building Regulations and other statutory requirements across the United Kingdom.

I would also ask you to note that Sussex Police is now exploring the impact of growth on the provision of policing infrastructure over the coming years and further comment on this application may be made by our Joint Commercial Planning Manager.

Thank you for giving me an opportunity to offer comments in response.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely

Miss Lee A Melbourne
