Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Trees and Landscaping
Comments:	I am writing to object to this application as I believe it is over developing a site already undergoing substantial development. A very large property the proposal makes it substantially larger at a time when residents in the area need more affordable smaller homes. Large properties, such as on the neighbouring Greenacres development are not selling due to their size. Therefore this application is really just developer greed rather than meeting a genuine local need for housing. As the HDC Cllr [redacted] has commented in the past, we need fewer of these executive homes.

Kind regards
