Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity
Comments:	I am writing on behalf of the Horsham Society to object to this application. This two storey building would be placed considerably forward of the building line and dominate the space in front of the house. Though set back from the main road, there would be a significant negative impact on the immediate street scene and it would create an undesirable precedent. [redacted]
