Comments:	I have read all the representations made on this planning application and cannot add anything that has already been clearly stated. The current chaos and danger to traffic using the Nuthurst road caused by the inadequate 'drop-off' parking is causes undeniable and a total invasion of the amenity of the immediate neighbours who suffer the chaos twice daily in term times. Perhaps the school governors might consider utilising some of the grounds within the school grounds, to create a viable 'drop-off' through-flow that keeps the main thoroughfare of Nuthurst road

free and safe for the parents, pupils, the commuting traffic, emergency vehicles and other pedestrians who are severely inconvenienced by the inadequate and unacceptable current chaos.

Kind regards
