Good Morning Lee,

The heat pump was functional throughout the survey yes.

Kind Regards

Kay Barker

*** E-mail from an external source

Hi Kay

I am reviewing the noise report you prepared for Warnham Brickworks.

I don't have an issue with report but you don't clearly state in the report that the air source heat pump was operating normally during thin survey period. Please could you send me a note to confirm that confirm that.

Thanks

Lee
