Subject: Ref DC/25/0004 fell 1 x Oak Rowan Cottage Thakeham Copse Storrington

Categories: Comments Received

Dear Sirs

With reference to the above application we would like to make our comments on the felling of an oak tree at this property.

We have lost a number of trees on the boundary of Rowan Cottage and our property over the past few years, we would be sad to see this tree felled, particularly as it looks healthy.

Sussex has lost a great number of trees due to disease, it would be a shame to lose a healthy protected tree under these circumstances.

Would it not be possible to remove any potential branches rather than felling the tree?

Kind regards
[redacted]
