Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	Re the previous approved application DC/25/1362 .we did not receive any notice of the original application. We should have been informed and allowed comment on this application. Planning Variation condition DC/26/0538 We strongly object to this proposed variation for the reasons

below

The intended Mitigation wall of 3mts high will run close to and along our boundary. The visual overshadowing character next to our property is extensive and also out of keeping to the surrounding area .

Kind regards
