Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Trees and Landscaping
Comments:	Eastlands Lane is used continuously by dog walkers and families enjoying a quiet walk in nature. These are going to be luxury houses which in turn means a minimum of 18 cars on the development. Even with the proposed improvement to the lane the amount of traffic, and noise pollution will substantially increase impacting adversely on nature and humans alike

Kind regards
