Reasons for comment: - Loss of General Amenity

Comments: This site is NOT included in Henfield's Neighbourhood Plan, and its development is opposed by the Henfield Parish Council. The Henfield Neighbourhood Plan passed an independent examination and was voted on by the local community in May 2021, with a huge majority voting for it, and it remains in force. This site was carefully considered for possible inclusion in the HNP. It was not included for development because it would negatively affect heritage, ecology and sustainability.

Kind regards
