Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I strongly object to this proposal. The junction with London Road and Church Road is very difficult as it is with the volume of traffic. West End Lane is very narrow and making a chicane would cause chaos and practically impossible for large vehicles. There are no facilities in this part of the village. The Doctor's Surgery is working to capacity, it is difficult enough to get an appointment as it is and elderly people obviously need more care.

Kind regards
