Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	West end lane is already far too busy with traffic. There is no space for a footpath and it is totally unnecessary. Upper station road as a whole, does not need more traffic. With traffic parked most of the length of the road it is ridiculous at times. The junction of upper station road and the high street is also already extremely narrow and congested and more traffic is unnecessary.

Kind regards
