Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Overdevelopment
- Trees and Landscaping

Comments:

I feel it is very important to protect the wildlife in the area.
I also feel the lane will become very congested.
I also do not understand why a retirement community would be built down the lane as it is too far for the elderly to walk into the high street. Presumably most would rely on buses and the lane is not equipped for buses to be going up and down.

Kind regards
