CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	23 Garden Place, Hawthorn Close, Horsham
PROPOSAL:	Surgery to 1x Lime, 1x Hazel, and 2x Cherry
REFERENCE:	DC/25/1763
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection – see main comments.	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The trees at this location all require the annual repeat maintenance reduction work to the entire crown area. The Lime tree, situated on the lawn area, east of Garden Walk, will require crown reduction to the entire crown, by 25% to the previous reduction cut points. This will leave the tree in a suitable balanced shape. The Hazel tree on the communal lawn in Garden Place will require all main large growth branches to be reduced to a low coppice. This will allow new growth to the tree. The remaining smaller branches could be reduced to leave this tree as a semi-mature specimen. The Cherry tree, which is next to the Hazel, will require a sympathetic crown reduction to the entire crown area as it has been growing into the Hazel tree. A 1m crown reduction should be ample and will leave the tree in a tidy shape. Therefore, HDNC has no objection to this application.
