Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I wish to object to the proposal concerning building a caravan site on the Limeburners site. I believe this will cause a high volume of traffic in this area, on a very rural country road, possibly causing damage to the road, and surrounding roads, the condition of the roads around this area are

already poor.
Plus I am concerned for the wildlife in this area, more land being used for housing. So much overdevelopment is going on, with no thought to wildlife and their natural habitat. When it's gone it's gone and we will not be able to get it back!

Kind regards
