Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	This development does not suit the area which has already been expanded with multiple housing projects and the addition of 2 business parks and petrol stations within the Billingshurst area. There needs to be a separation from countryside and town and

not keep diluting the area.

The type of caravans proposed is not in keeping with the local housing which is why this area was so desirable in the first place. West Sussex is very close to destroying what makes it unique and beautiful.

Kind regards
