Dear Sam

RE: DC/26/1048 Greenway Academy Greenway Horsham West Sussex RH12 2JS

Thank you for your reconsultation on the above site, received on 06th August 2026. We have reviewed the application as submitted and wish to make the following comments.

We note the drainage information has now been uploaded with all appendices, however please can we be provided with details of the proposed variation of the condition wording (conditions 3 and 4 as they relate to drainage) that is sought?

If this application is, in fact, to redischarge the condition (as previously approved under DISC/26/0153) due to an amended proposal, please clearly outline what changes have been made and we will review on that basis. We note that the strategy provided is version dated 27th April 2026, which is prior to the approval of DISC/26/0153 on 29th July 2026.

Yours sincerely,
