Application Number: DC/25/0102

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY (Development Management Procedure) (England) Order 2015

On behalf of: Miller Homes Ltd

In pursuance of their powers under the above-mentioned Act and Order the Council hereby notify you that they PERMIT the following development, that is to say:

Outline application with all matters reserved except for access for up to 82 dwellings with vehicular and pedestrian accesses, public open space, noise mitigation measures, landscaping, foul and surface water drainage and associated works.

Land at Campsfield, Linfield Close, Southwater, West Sussex

to be carried out in accordance with Application No. DC/25/0102 submitted to the Council on 22/01/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Biodiversity Net Gain Condition

Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Emma Parkes
Head of Development and Building Control

Date: 17/06/2026

- 1 **Plans Condition:** The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

Schedule of plans/documents

Plan Type	Description	Drawing Number	Received Date
Location plan		02.40(01)00	22.01.2025
Plans	Parameter Plan	02.40(01)10	22.01.2025
Plans	Visibility Splay And Car Tracking At Access	091.0018-0002 REV P03	14.08.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition:**

- (a) Approval of the details of the layout of the development, the scale of each building, the appearance of each building, access to and within the site and the landscaping of the development (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before any development is commenced.
- (b) Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of 3 years from the date of this permission.
- (c) The development hereby permitted shall begin either before the expiration of 3 years from the date of this permission, or before the expiration of 2 years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

Reason: To enable the Local Planning Authority to control the development in detail and to comply with Section 92 of the Town and Country Planning Act 1990.

3 **Submission of Reserved Matters:**

(a) The submission of reserved matters applications pursuant to this outline approval shall demonstrate substantial compliance with the following Parameter Plans submitted as part of the Outline approval to fix the development principles:

- Parameter Plan (reference: 02.40 (01) 10)

Reason: To ensure that satisfactory provision for outdoor play and recreation is made within the development, in the interests of the amenity of future occupiers of the development, in accordance with Policies 32, 33, 39 and 43 of the Horsham District Planning Framework (2015).

4 **Regulatory Condition:** The Reserved Matters submissions for Open Space and landscape shall include full details (including, but not limited to, type of play equipment, surfacing, planting, fencing, seating and signage for the local area of play). The details shall accord with the guidance set out in the Open Space, Sports and Recreation Review (June 2021).

Reason: To ensure that satisfactory provision for outdoor play and recreation is made within the development, in the interests of the amenity of future occupiers of the development, in accordance with Policies 32, 33, 39 and 43 of the Horsham District Planning Framework (2015).

5 **Pre-Commencement Condition:** Prior to or in conjunction with the submission of each Reserved Matters application for the development hereby permitted, details of a scheme for the disposing of surface water by a means of sustainable drainage system shall be submitted to and approved in writing by the Local Planning Authority in accordance with the approved drainage strategy and discharge rates as contained within the approved Flood Risk Assessment/Drainage Strategy dated 07/04/2025 and additional appendices dated

01/07/2025. The scheme shall be implemented in full in accordance with the approved details and the National Standards for Sustainable Drainage Systems (June 2025) prior to first occupation of the development. The submitted details shall:

- Provide information about the design storm period and intensity, the method employed to delay and control the surface water discharge from the site via a proposed Sustainable drainage system and the measures taken to prevent pollution of the receiving surface water.
- Demonstrates that the proposed surface water drainage system does not surcharge in the 1 in 1 critical storm duration, flood in the 1 in 30 plus climate change critical storm duration or the 1 in 100 critical storm duration,
- Demonstrates that any flooding that occurs when taking into account climate change for the 1 in 100 critical storm event in accordance with NPPF does not leave the site uncontrolled via overland flow routes

Reason: To ensure the flood risk is adequately addressed and not increased in accordance with NPPF and Policy 38 in Horsham District Planning Framework (2015).

- 6 **Pre-Commencement Condition:** Not later than the submission of the first Reserved Matters submission, no works which impact the breeding / resting place of Hazel Dormouse shall commence in in any circumstance, unless the local planning authority has been provided with either:

- (a) a licence issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 (as amended) authorizing the specified activity/development to go ahead; or
- (b) a statement in writing from the Natural England to the effect that it does not consider that the specified activity/development will require a licence.

Reason: To conserve protected and Priority species in accordance with Policy 31 of the Horsham District Planning Framework (2015), and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s17 Crime & Disorder Act 1998.

Reason: To conserve protected and Priority species in accordance with Policy 31 of the Horsham District Planning Framework (2015), and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s17 Crime & Disorder Act 1998.

- 7 **Pre-Commencement Condition:** No development shall commence until the following components of a scheme to deal with the risks associated with contamination, (including asbestos contamination), of the site be submitted to and approved, in writing, by the local planning authority:

- (a) An intrusive site investigation scheme to provide information for a detailed risk assessment to the degree and nature of the risk posed by any contamination to all receptors that may be affected, including those off site.
- (b) Full details of the remediation measures required and how they are to be undertaken based on the results of the intrusive site investigation (a) and a verification plan providing details of what data will be collected in order to demonstrate that the remedial works are complete.

The scheme shall be implemented as approved. Any changes to these components require the consent of the local planning authority.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans, controlled waters or the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

- 8 **Pre-Commencement Condition:** No development (including any ground clearance or site levelling), shall commence until the following demolition and construction details have been submitted to and approved in writing by the Local Planning Authority, in consultation with the Chair and Vice Chair of the Planning Committee. The details shall be limited to the following measures:
- (a) Details of site management contact details and responsibilities;
 - (b) A plan detailing the site logistics arrangements on a phase-by-phase basis (as applicable), including:
 - i. location of site compound,
 - ii. location for the loading, unloading and storage of plant and materials (including any stripped topsoil),
 - iii. site offices (including location, height, size and appearance),
 - iv. location of site access points for construction vehicles,
 - v. location of on-site parking,
 - vi. locations and details for the provision of wheel washing facilities and dust suppression facilities
 - (c) The arrangements for public consultation and liaison prior to and during the demolition and construction works - newsletters, fliers etc., to include site management contact details for residents;
 - (d) Details of any floodlighting, including location, height, type and direction of light sources, hours of operation and intensity of illumination

All demolition and construction activities shall thereafter be carried out in accordance with the details and measures approved.

Reason: As this matter is fundamental in order to consider the potential impacts on the amenity of nearby occupiers and highway safety during construction and in accordance with Policies 33 and 40 of the Horsham District Planning Framework (2015).

- 9 **Pre-Commencement Condition:** No development (including demolition pursuant to the permission granted, ground clearance, or bringing equipment, machinery or materials onto the site), shall commence until the following preliminaries have been completed in the sequence set out below:
- a) A plan shall be submitted to show all trees on the relevant part of the site to be retained as well as those off-site whose root protection areas ingress into the relevant part of the site, such trees shall be fully protected by tree protective fencing affixed to the ground in full accordance with section 6 of BS 5837 'Trees in Relation to Design, Demolition and Construction - Recommendations' (2012).
 - b) Once installed, the fencing shall be maintained during the course of the development works and until all machinery and surplus materials have been removed from the site.
 - c) Areas so fenced off shall be treated as zones of prohibited access, and shall not be used for the storage of materials, equipment or machinery in any circumstances. No mixing of cement, concrete, or use of other materials or substances shall take place within any tree protective zone, or close enough to such a zone that seepage or displacement of those materials and substances could cause them to enter a zone. Any trees or hedges on the site which die or become damaged during the construction process shall be replaced with trees or hedging plants of a type, size and in positions agreed by the Local Planning Authority.

Reason: As this matter is fundamental to ensure the successful and satisfactory protection of important trees and hedgerows on the site in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 10 **Pre-Commencement Condition:** No site levelling works shall take place until full details of the existing and final land levels and finished floor levels (in relation to nearby datum points) have been submitted to and approved by the Local Planning Authority in writing, including a phasing plan if relevant. The details shall include the proposed grading of land areas including

the levels and contours to be formed, showing the relationship of proposed land levels to existing vegetation and surrounding landform. The site levelling works shall be completed in accordance with the approved details prior to the commencement of relevant development.

Reason: As this matter is fundamental to control the development in detail in the interests of amenity and visual impact and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 11 **Pre-Commencement Condition:** No development shall commence until a construction environmental management plan (CEMP: Biodiversity) has been submitted to and approved in writing by the local planning authority. The CEMP (Biodiversity) shall include the following.
- (a) Risk assessment of potentially damaging construction activities.
 - (b) Identification of "biodiversity protection zones".
 - (c) Practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during construction (may be provided as a set of method statements).
 - (d) The location and timing of sensitive works to avoid harm to biodiversity features.
 - (e) The times during construction when specialist ecologists need to be present on site to oversee works.
 - (f) Responsible persons and lines of communication.
 - (g) The role and responsibilities on site of an ecological clerk of works (ECoW) or similarly competent person.
 - (h) Use of protective fences, exclusion barriers and warning signs.

The approved CEMP (Biodiversity) shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details, unless otherwise agreed in writing by the local planning authority.

Reason: To conserve protected and Priority species in accordance with Policy 31 of the Horsham District Planning Framework (2015), and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).

- 12 **Pre-Commencement Condition:** No development shall commence until a scheme for sound attenuation against external noise has been submitted to and approved by the Local Planning Authority, and shall include an overheating assessment. The approved sound attenuation works shall be completed before the dwellings are occupied and be retained thereafter.

Reason: As this matter is fundamental in the interests of residential amenities by ensuring an acceptable noise level for the occupants of the development in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 13 **Pre-Commencement Condition:** No development shall commence unless and until details of the proposed means of foul water sewerage disposal have been submitted to, and approved in writing by, the Local Planning Authority. Thereafter all development shall be undertaken in accordance with the approved details and no occupation of any dwelling shall take place until the approved works required to facilitate that dwelling have been completed. The foul drainage system shall be retained as approved thereafter.

Reason: As this matter is fundamental to ensure that the development is properly drained and to comply with Policy 38 of the Horsham District Planning Framework (2015).

- 14 **Pre-Commencement (Slab Level) Condition:** No development above slab level of any part of the development hereby permitted shall take place until areas of structural and mitigation vegetation suitable for advance planting are identified, submitted to and approved in writing by the Local Planning Authority, along with a timetable for their implementation. These are likely to include enhancement planting along existing boundaries and along existing landscape

features within the site. Confirmation of the delivery of these landscape works shall be submitted to the Local Planning Authority in writing.

Reason: To ensure identified adverse visual effects are satisfactorily mitigated, including during construction, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 15 **Pre-Commencement (Slab Level) Condition:** No development shall commence until full details of underground services, including locations, dimensions and depths of all service facilities and required ground excavations, have been submitted to and approved by the Local Planning Authority in writing. The submitted details shall be coordinated with the landscaping proposals and Arboricultural Method Statement. The development shall thereafter be carried out in accordance with the approved details.

Reason: As this matter is fundamental to the acceptable delivery of this permission, to ensure the underground services do not conflict with satisfactory landscaping in the interests of amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 16 **Pre-Commencement (Slab Level) Condition:** Prior to any works above slab level, a Biodiversity Enhancement Strategy for protected, Priority and threatened species, prepared by a suitably qualified ecologist in line with the recommendations of the Ecological Impact Assessment (Ecosupport Ltd., April 2025), shall be submitted to and approved in writing by the local planning authority. The content of the Biodiversity Enhancement Strategy shall include the following:
- a) Purpose and conservation objectives for the proposed enhancement measures;
 - b) Detailed designs or product descriptions to achieve stated objectives;
 - c) Locations of proposed enhancement measures by appropriate maps and plans (where relevant);
 - d) Persons responsible for implementing the enhancement measures; and
 - e) Details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To conserve protected and Priority species in accordance with Policy 31 of the Horsham District Planning Framework (2015), and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).

- 17 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until full details of all hard and soft landscaping works shall have been submitted to and approved, in writing, by the Local Planning Authority for that phase. The details shall include plans and measures addressing the following:

- Details of all existing trees and planting to be retained and removed.
- Planting and seeding plans, including a schedule specifying plant numbers, sizes, densities and species in Latin names
- Coordination of planting plans with ecological mitigation, compensation and enhancement measures set out in Section 7 of the Ecological Impact Assessment by Ecosupport, dated April 2025.
- Hard and soft written specifications (NBS compliant) including ground preparation, cultivation and other operations associated with plant and grass establishment
- Supplier information for plant stock in proximity to Ancient Woodland - only locally-sourced planting stock should be used and only certain tree nurseries are suppliers of accredited UK Sourced and Grown stock
- Tree pit and staking/underground guying details, including details for sloping ground and position of root barriers if required

- Details of all hard surfacing materials and finishes, including layout, colour, size, texture, coursing and levels
- Details of all boundary treatments - such as walls, fencing and railings - including location, type, heights and materials
- Details of minor artefacts and structures - such as bin stores, cycle stores, street furniture, play equipment and signage - including location, size, colour and specification
- Details of existing and proposed levels for all external earthworks associated with the landscape proposals - such as SuDS, play areas, retaining walls, mounding etc - including cross sections where necessary
- Details of all external lighting
- Details of rain gardens
- Implementation timetable

The approved soft landscaping scheme shall be fully implemented in accordance with the approved details within the first planting season following the first occupation of any part of the development. The approved hard landscaping shall be fully implemented as approved following first occupation of the development.

Unless otherwise agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 5 years after completion of the development. Any proposed or retained planting, which within a period of 5 years, dies, is removed, or becomes seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development that is sympathetic to the landscape and character of the surroundings and in the interests of visual amenity in accordance with Policies 30, 31, and 33 of the Horsham District Planning Framework (2015)

- 18 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until a Landscape Management and Maintenance Plan (LMMP) has been submitted to and approved in writing by the Local Planning Authority. The details should apply to all communal hard and soft landscape areas and shall include:

- Long term design objectives
- Management responsibilities
- A description of landscape components
- Management prescriptions
- Maintenance schedules
- Accompanying plan delineating areas of responsibility

The landscape areas shall thereafter be managed and maintained in accordance with the approved details unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development and in the interests of visual amenity and nature conservation in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 19 **Pre-Occupation Condition:** The development hereby approved shall not be first occupied until details of the maintenance and management of the sustainable drainage scheme have been submitted to and approved in writing by the Local Planning Authority. The drainage scheme shall be implemented prior to the first occupation of the development hereby approved and thereafter managed and maintained in accordance with the approved details in perpetuity. The Local Planning Authority shall be granted access to inspect the sustainable drainage scheme for the lifetime of the development. The details of the scheme to be submitted for approval shall include:

- i. a timetable for its implementation,
- ii. details of SuDS features and connecting drainage structures and maintenance requirement for each aspect,
- iii. a management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason: To ensure that the development achieves a high standard of sustainability and ensure the flood risk is adequately addressed for each new dwelling and not increased in accordance with NPPF and Policy 38 in Horsham District Planning Framework (2015).

- 20 **Pre-Occupation Condition:** The development hereby approved shall not be first occupied until a detailed verification report, (appended with substantiating evidence demonstrating the approved construction details and specifications have been implemented in accordance with the surface water drainage scheme), has been submitted to and approved (in writing) by the Local Planning Authority. The verification report shall include photographs of excavations and soil profiles/horizons, any installation of any surface water structure and Control mechanism. In the event of a phased implementation, a verification report shall be required prior to occupation / completion of each relevant phase.

Reason: To ensure that the development achieves a high standard of sustainability and ensure the flood risk is adequately addressed for each new dwelling and not increased in accordance with NPPF and Policy 38 in Horsham District Planning Framework.

- 21 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until an air quality mitigation plan has been submitted to and approved in writing by the Local Planning Authority. The air quality mitigation plan should contain measures equal in value to the calculated environmental damage cost as calculated against the price-base of the appraisal's date, and account for emissions over a five-year period starting from the assumed opening year, avoiding the duplication of measures that would normally be required through other regimes and include (but not be limited to) the measures detailed in paragraph 7.2.2 of the Air Quality Assessment Rev V2 (Dec 2024).

Reason: To mitigate the impact of the development on air quality within the District and to sustain compliance with and contribute towards EU limit values or national objectives for pollutants in accordance with Policies 24 & 41 of the Horsham District Planning Framework (2015).

- 22 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until a fire hydrant(s) to BS 750 standards or stored water supply (in accordance with the West Sussex Fire and Rescue Guidance Notes) has been installed, connected to a water supply with appropriate pressure and volume for firefighting, and made ready for use in consultation with the WSCC Fire and Rescue Service. The hydrant(s) or stored water supply shall thereafter be retained as such.

Reason: In accordance with fire and safety regulations in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 23 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the necessary in-building physical infrastructure and external site-wide infrastructure to enable superfast broadband speeds of a minimum 30 megabits per second through full fibre broadband connection has been provided to the premises.

Reason: To ensure a sustainable development that meets the needs of future occupiers in accordance with Policy 37 of the Horsham District Planning Framework (2015).

- 24 **Pre-Occupation Condition:** No part of the development hereby permitted shall be first occupied until such time as the vehicular access serving the development has been constructed in accordance with the details shown on the drawing titled 'VISIBILITY SPLAY AND CAR TRACKING AT ACCESS' and numbered 091.0018-0002 rev P3.
- Reason: To ensure adequate parking, turning and access facilities are available to serve the development in accordance with Policy 40 of the Horsham District Planning Framework (2015).
- 25 **Regulatory Condition:** All mitigation measures and/or works shall be carried out in accordance with the details contained in the Ecological Impact Assessment (Ecosupport Ltd., April 2025), Ecological Impact Assessment (Ecosupport Ltd., December 2024) and Lighting Strategy Revision 5 (SLR Consulting Ltd., December 2024), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination.
- This will include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.
- Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended) and Policy 31 of the Horsham Development Framework
- 26 **Regulatory Condition:** No works for the implementation of the development hereby approved shall take place outside of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays nor at any time on Sundays, Bank or public Holidays.
- Reason: To safeguard the amenities of adjacent occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).
- 27 **Regulatory Condition:** If the outline application hereby approved does not commence within one year from the date of the planning consent, the approved ecological mitigation measures secured through condition shall be reviewed and, where necessary, amended and updated. The review shall be informed by further ecological surveys commissioned to:
- i. establish if there have been any changes in the presence and/or abundance of protected species, and
 - ii. identify any likely new ecological impacts that might arise from any changes.
- Where the survey results indicate that changes have occurred that will result in ecological impacts not previously addressed in the approved scheme, the original approved ecological measures will be revised and new or amended measures, and a timetable for their implementation, will be submitted to and approved in writing by the local planning authority prior to the commencement of the erection of up to up to 82 dwellings with vehicular and pedestrian accesses, public open space, noise mitigation measures, landscaping, foul and surface water drainage and associated works.
- Works will then be carried out in accordance with the proposed new approved ecological measures and timetable.
- Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).
- 28 **Regulatory Condition:** The dwelling(s) hereby permitted shall meet the optional requirement of building regulation G2 to limit the water usage of each dwelling to no more than 110 litres

per person per day. The subsequently installed water limiting measures shall thereafter be retained.

Reason: To limit water use in order to improve the sustainability of the development in accordance with Policy 37 of the Horsham District Planning Framework (2015).

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link: [Submit a biodiversity gain plan - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/biodiversity-net-gain).

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at <https://www.gov.uk/guidance/biodiversity-net-gain>.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant

The applicant is requested to pursue the construction access route Option 2 as shown in the 'Framework Construction Environmental Management Plan, April 2025' (received 26.06.2025) in the discharge of condition 8.

Note to Applicant

Please be advised that there are conditions on this notice that will require the submission of details to be submitted for approval to the Local Planning Authority. To approve these details, you will need to submit an "Application for approval of details reserved by condition" with an application form and pay the appropriate fee. Guidance and the forms can be found at planningportal.co.uk/planning/planning-applications

Note to Applicant

Please note that Southern Water require a formal application for connection to the water supply in order to service this development. Please contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire (tel: 0330 303 0119) or www.southernwater.co.uk .

Note to Applicant

A Surface Water Drainage Statement is a site-specific drainage strategy that demonstrates that the drainage scheme proposed is in compliance with the National Planning Policy Framework and the Non-Statutory Technical Standards for Sustainable Drainage Systems. An Advice Note and a

proforma for the statement can be found using the following link
<https://www.horsham.gov.uk/planning/development-management>.

Note to Applicant

The applicant is advised to contact West Sussex County Council Highways, tel no: 01243 642105 or to visit <https://www.westsussex.gov.uk/> for information on how to obtain formal approval from the highway authority to carry out works to the public highway. All necessary costs, the appropriate license and application fees for any works and any costs associated with the movement of any existing street furniture will have to be funded by the applicant. Although these works are approved in principle by the Highway Authority, no permission is hereby granted to carry out these works until all necessary and appropriate design details have been submitted and agreed.

Note to Applicant

The applicant's attention is drawn to the provisions of both the Wildlife and Countryside Act 1981 and the Protection of Badgers Act 1992. Under these Acts, it is an offence to intentionally or recklessly kill, disturb, damage or destroy a protected species or its habitat. This includes but is not limited to wild birds, bats, badgers, dormice, reptiles and great crested newts.

Community Infrastructure Levy (CIL)

Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development.**

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. In the case of outline applications the CIL charge will be calculated at the relevant reserved matters stage.

To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos

If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions

The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre-Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments

Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring

Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance

Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could

not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
