Subject: DISC/24/0260 - Browns Farm

Dear Kate,

Further to previous correspondence, an officer visited the site and revisited their Water Management and Maintenance Plan, and we are now satisfied that Condition 3 can be formally discharged.

As detailed in the wording of Condition 3, no alterations or revisions to the approved management plan shall be implemented without the written approval of the Local Planning Authority.

Kind regards,

Isabelle Carter

Scientific Officer (Environmental Protection)
