Good morning Halima,

I have attached several photographs of the property - although they concentrate on the rear elevation as this is where the works is being undertaken.

I am unaware of any similar works being undertaken in the area, but as this property has been subject to a recent planning approval for a much bigger extension I cannot foresee this modest scheme being an issue.

As the neighbouring properties are all large detached properties on a private estate, with mature planting/ screening, I am unable to provide any photographs of the properties, nor identify the use of any rooms.

Just let me know when you would like to undertake your site visit and I can check with the applicant.

Kind Regards

Euan Clark
