Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping

Comments: It would cause too much traffic which would reduce safety. Plus the infrastructure wouldn't cope (ie sewage, flooding), and it would damage an ancient hedgerow. Also it contravenes local planning policy which seems this area undevelopable and it would be disproportionate.

Kind regards
