**Danefold House Littleworth Lane Partridge Green West Sussex
Relocation of existing farm yard manure storage, construction of a silage clamp and
construction of a slurry lagoon incorporating importation and use of materials and all
associated engineering works.**

Your application DC/25/1023 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions

Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition

Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)

If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Mr Jim Legate

Application Number: DC/25/1023

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr O Martin Danefold Farms

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Relocation of existing farm yard manure storage, construction of a silage clamp and construction of a slurry lagoon incorporating importation and use of materials and all associated engineering works.

Danefold House Littleworth Lane Partridge Green West Sussex

to be carried out in accordance with Application No. DC/25/1023 submitted to the Council on 01/08/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 15/07/2026

- 1 **Plans Condition:** The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Site plan	Planting Plan	hla 619 101 Rev C	07.04.2026
Supporting Statement	Planting Schedule		07.04.2026
Supporting Statement	Construction Management Plan		01.05.2026
Supporting Statement	ARBORICULTURAL IMPACT ASSESSMENT AND METHOD STATEMENT		20.06.2025
Supporting Statement	PRELIMINARY ECOLOGICAL APPRAISAL		20.06.2025

Supporting Statement	Flood Risk Assessment and Drainage Strategy Rev C		26.11.2025
Supporting Statement	Preliminary Ecological Appraisal	NONE	20.06.2025
Location plan		190924_003 REV B	01.08.2025
Section plan		190924_004 REV A	01.08.2025
Supporting Statement	Arboricultural Impact Assessment & Method Statement	NONE	20.06.2025
Layout plan	Proposed	190924_002 REV A	01.08.2025
Location plan		190924_003 Rev B	01.08.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 **Standard Time Condition:** The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 **Pre-Commencement Condition:** No soils shall be imported or re-used within the development site until details of the chemical testing and assessment of the soils which demonstrates the suitability of the soils for the proposed use have been submitted to and approved in writing by the local planning authority. The assessment shall be undertaken by a suitably qualified and competent person.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans, controlled waters or the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

- 4 **Pre-Commencement Condition (First Use):** No part of the development hereby permitted shall be first used until a Biodiversity Enhancement Strategy for Protected and Priority species has been submitted to and approved in writing by the local planning authority. The content of the Biodiversity Enhancement Strategy shall include the following:

- (a) Purpose and conservation objectives for the proposed enhancement measures;
- (b) Detailed designs to achieve stated objectives;
- (c) Locations of proposed enhancement measures by appropriate maps and plans;
- (d) Persons responsible for implementing the enhancement measures;
- (e) Details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details and shall be retained in that manner thereafter.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

- 5 **Pre-Occupation Condition (First Use):** No part of the development hereby permitted shall be first used until a written verification report demonstrating only soils suitable for the proposed

use have been placed has been submitted and approved in writing by the Local Planning Authority.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans, controlled waters or the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

- 6 **Pre-Occupation Condition (First Use):** No part of the development hereby permitted shall be first used until a scheme of works to control odour, vermin or insects associated with the storage of slurry and manure have been submitted to and approved in writing by the local planning authority.

The scheme as approved by the local planning authority shall be fully installed before the use hereby permitted commences and shall be operated for as long as the use is continued;

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans, controlled waters or the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

- 7 **Regulatory Condition:** No works for the implementation of the development hereby permitted other than those works using hand tools only shall take place outside the hours of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays.

No works for the implementation of the development hereby approved shall take place at any time on Sundays, Bank or Public Holidays.

No HGV construction traffic will enter or exist the site on Sundays, Bank or Public Holidays nor outside the hours of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays.

Reason: To safeguard the amenities of adjacent occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 8 **Regulatory Condition:** The development hereby permitted shall be undertaken in strict accordance with the ecological mitigation and enhancement measures set out in Preliminary Ecological Appraisal [The Ecology Co-op Ltd., June 2025].

This may include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

- 9 **Regulatory Condition:** All works for foul and surface water disposal shall be undertaken in accordance with the submitted drainage site plan and details [Flood Risk Assessment and Drainage Strategy Rev. C] The development shall be carried out in accordance with the approved scheme.

Reason: As this matter is fundamental to ensure that the development is properly drained and to comply with Policy 38 of the Horsham District Planning Framework (2015).

- 10 **Regulatory Condition:** No external lighting or floodlighting shall be installed other than with the permission of the Local Planning Authority by way of formal application.

Reason: In the interests of the amenities of the locality and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 11 **Regulatory** No development hereby permitted shall take place except in accordance with the terms and conditions of the Council's Organisational Licence (WML-OR136, or a 'Further Licence') and with the proposals detailed on plan "Danefold House: Impact plan for great crested newt District Licensing (Version 1)", dated 25th November 2025.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

- 12 **Regulatory** No development hereby permitted shall take place except in accordance with Part 1 of the Great Crested Newt Mitigation Principles, as set out in the District Licence (WML-OR136, or a 'Further Licence') and in addition in compliance with the following:

- Works which will affect likely newt hibernacula may only be undertaken during the active period for amphibians.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

- 13 **Regulatory Condition:** All works shall be executed in full accordance with the submitted Arboricultural Impact Assessment/Method Statement [Arboricultural Survey impact Assessment and Method Statement, 2682 Rev-01, Owen Allpress Independent Arboricultural Consultancy May 2025].

Reason: To ensure the successful and satisfactory protection of important trees, shrubs and hedges on the site in accordance with Policies 30 and 33 of the Horsham District Planning Framework (2015) and Policy 4 of the West Grinstead Parish Neighbourhood Plan.

- 14 **Regulatory Condition:** All demolition and construction activities shall thereafter be carried out in accordance with the details and measures included in the Construction Management Plan (Version 001, received 1st of May 2026).

Reason: As this matter is fundamental in order to consider the potential impacts on the amenity of nearby occupiers and highway safety during construction and in accordance with Policies 33 and 40 of the Horsham District Planning Framework (2015).

- 15 **Regulatory Condition:** Other than agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 30 years after completion of the development hereby permitted. Any trees or hedges on the site which die or become damaged during the construction process shall be replaced with trees, hedging plants or shrubs of a type, size and in positions agreed by the Local Planning Authority.

Reason: To ensure the retention and maintenance of trees and vegetation on the site unsuitable for permanent protection by Tree Preservation Order for a limited period, in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant

The farm yard manure store, silage clamp and slurry lagoon will need to be built in line with the Water Resources (Control of Pollution) (Silage, Slurry and Agricultural Fuel Oil) (England) Regulations - known as the SSAFO Regulations 2010. Further information can be found on the GOV.UK website here - <https://www.gov.uk/guidance/storing-silage-slurryand-agricultural-fuel-oil>

Note to Applicant

It is recommended that the NatureSpace Best Practice Principles are considered and implemented where possible and appropriate.

It is essential to note that any works or activities whatsoever undertaken on site (including ground investigations, site preparatory works or ground clearance) prior to receipt of the written authorisation from the planning authority which permits the development to proceed under the District Licence (WML-OR136, or a 'Further Licence') are not licensed under the great crested newt District Licence. Any such works or activities have no legal protection under the great crested newt District Licence and if offences against great crested newts are thereby committed then criminal investigation and prosecution by the police may follow.

It is essential to note that any ground investigations, site preparatory works and ground / vegetation clearance works / activities (where not constituting development under the Town and Country Planning Act 1990) in a red zone site authorised under the District Licence but which fail to respect controls equivalent to those detailed in the planning condition above which refers to the NatureSpace great crested newt mitigation principles would give rise to separate criminal liability under the District Licence, requiring authorised developers to comply with the District Licence and (in certain cases) with the GCN Mitigation Principles (for which Natural England is the enforcing authority); and may also give rise to criminal liability under the Wildlife & Countryside Act 1981 (as amended) and/or the Conservation of Habitats and Species Regulations 2017 (as amended) (for which the Police would be the enforcing authority).

Note to Applicant

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link:
[Submit a biodiversity gain plan - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/submit-a-biodiversity-gain-plan).

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at <https://www.gov.uk/guidance/biodiversity-net-gain>.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos

If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments

Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring

Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
